PROFILE

Hello! I'm Xiong Junjie, a postgraduate student, majoring in computer science and data mining.

After 7 years of systematic study and 4 years work. I am sure that I have built sound foundation in theory and practice of my major. In addition, I have taken part in several research and develop works in Alibaba and Huawei from 2012 to 2016. I have been awarded scholarships many times because of my excellence in study and research.
